Re: Donnelly v. Sherer
Index #: 1:19-cv-2121-ER-KHP

MEMO ENDORSED

Dear Judge Parker:

We represent plaintiff Donnelly in the above entitled action. On April 24, 2020, Your Honor issued a scheduling order setting this matter down for a settlement conference on June 23, 2020.

Since the second week in March, our physical office in downtown Manhattan has been closed due to the pandemic. We are doing our best working remotely and trying to represent our clients to the best of our ability. Attorney Nicholas Warywoda who has been handling this litigation from its inception, resigned from the firm at or about the same time our office closed. Unfortunately, Pamela Placido, the paralegal assigned to this action was out of work for several weeks due to the long illness and eventual death of both her grandmother and father from Covid-19.

The purpose of this letter is to request a thirty (30) day adjournment of the settlement conference which will enable both parties to complete some post deposition and damages discovery. The undersigned has conferred with defense counsel who has consented to this request.

We both believe that a short adjournment will give us an opportunity to narrow the issues which will hopefully make for a more productive settlement conference. Thank you for your consideration of this request.

Respectfully submitted,

Michael F. Kremins (MK-6377)
